Reference:

In his report on the second course of training of Rural Recreation Officers, the Principal, Y.M.C.A. College of Physical Education, Saidapet, suggested that the Rural Recreation Officers undergoing training might be taken to select nearby villages for excursions so as to enable them to contact the villagess, study the village conditions, try out games with the villagers and organise entertainment etc. The Board after examining the suggestion accepted it and called for detailed proposals for such excursions to select 2 or 3 rural centres with an estimate of cost involved. The Principal has now sent the estimate of the proposad excursions for the Rural Recreation Officers now under training to 2 select centres. A copy of the letter received from the Principal is herewith submitted. The total cost of the 2 proposed excursions comes to Rs.221-4-0. The Board considers that the excursions proposed will be useful to the trainees to study the various problems in the villages and to acquaint themselves in a practical manner how rural uplift work should be conducted The Board therefore recommends that a sum of Rs.225/- may be sanctioned for payment fo the Y.M.C.A. College to meet the expenses in connection with the proposed excursions. As the course of training for the Rural Recreation Officers will come to a close by 18th February 1948 and as the excursions have been arranged by the Principal, Y.M.C.A. College in the third week of January '48, the Board requests the Government to pass orders urgently in the mATTER.
